

Conditions of participation for the ITB Berlin 2020 travel raffle

These terms and conditions apply to participation in raffles organised by Messe Berlin GmbH, Messedamm 22, 14055 Berlin (hereinafter "Organiser").

1. General

By participating in the raffle, the participant (the gender-neutral form is used for all persons described in the following) accepts these terms and conditions.

2. Participation and prizes

(1) Eligible for participation are all natural persons who have reached the age of 18, reside in the Federal Republic of Germany, and attend ITB Berlin 2020 with a valid public visitor's ticket. Excluded from participation are ITB Berlin 2020 exhibitors, co-exhibitors and employees of the Messe Berlin Group as well as their relatives and all companies and persons involved in the competition, particularly those involved in the technical and/or organizational implementation of the event.

(2) Eligible applicants may enter the competition by exchanging their ticket stub for an ITB travel raffle Coupon at the counter next to the stage in Hall 4.1. Without the particular ticket stub, no coupon will be handed out. Moreover only one coupon will be given in exchange per person.

(3) The drawings take place directly after the four rounds of the game which are expected to take place on Saturday March 7th 2020 at 1pm and 4pm as well as Sunday March 8th 2020 at 1pm and 4pm. The times are subject to change.

(4) Among all eligible participants, we will be drawing lots of prizes from our sponsors during the participation period. The prizes are won in active games.

(5) After each round of drawings, the raffle box will be emptied, so that each visitor will be able to participate in only one big ITB travel raffle per day. Participation in the raffle on several days is possible; however, only one prize per participant is possible.

(6) In order to win, a ticketholder must have clearly marked the correct answer on the drawn ticket and also show the coupon with the corresponding ID number, proving that the drawn ticket is truly his/hers.

(7) If the owner of the drawn ticket isn't present when the ticket is drawn, the entitlement to win the prize will be forfeited and a new winner will be found via an additional drawing.

3. Notification of winners and awarding of prizes

(1) The winner will be randomly selected on each of the two private visitor days after the participation deadline by drawing a travel raffle coupon from the raffle drum on the stage at 1pm and 4 pm.

(2) The winner will be notified immediately when the ID is read from the travel raffle coupon.

(3) The prize will be presented by the moderator or sponsor immediately after the draw.

(4) The prize is not transferable to third parties. A cash payment or exchange of the prize is excluded.

6. Exclusion

(1) The organiser reserves the right to exclude participants from the raffle for important reasons, in particular if there is a violation of these conditions of participation, incorrect information, manipulation or other unauthorized acts. Likewise, anyone submitting a private visitor ticket that is not their own will be excluded.

(2) If the excluded participant has already been declared a winner, the prize can be subsequently withdrawn.

7. Amendments and premature termination of the raffle

The organizer reserves the right to cancel or prematurely discontinue the raffle for important reasons. A discontinuation for important reasons may occur, in particular, if a proper execution of the competition is not possible due to technical or legal reasons. In the event of cancellation, any claims against the organizer will be excluded.

8. Data protection

(1) The personal data collected in the course of the raffle in accordance with Art. 6 para. 1 (b) of the GDPR are used by the organizer exclusively for the purpose of conducting the raffle.

(2) An early erasure of personal data requested by the participant (Art. 17 GDPR) may restrict participation in the raffle or make it impossible.

(3) Photos of the winner, as well as the winner's name and other relevant data identifying the winner, will be passed on to the sponsors right after the drawing. This data will exclusively be used for the submission of the prize between the sponsor and the winner. The photos will not be used for any other purpose without the expressed written consent of the winners.

9. Final provisions

(1) If the conditions of participation contain ineffective regulations, the validity of the remaining conditions remains unaffected.

(2) ITB Berlin takes no responsibility for the travel raffle prizes. The travel agreement for all the travel prizes which are won takes place directly between the winner of the travel prize and the sponsor of the travel prize. Messe Berlin GmbH is only the intermediary and excluded from any liability.

(3) Legal recourse is excluded.
